

Elix

 **BIESSE**
ALL IN ONE

Elix, for-inseritrice di colla e spine punto a punto, per garantire la massima produzione di cucine, mobili, cassetti e pezzi di piccole dimensioni.

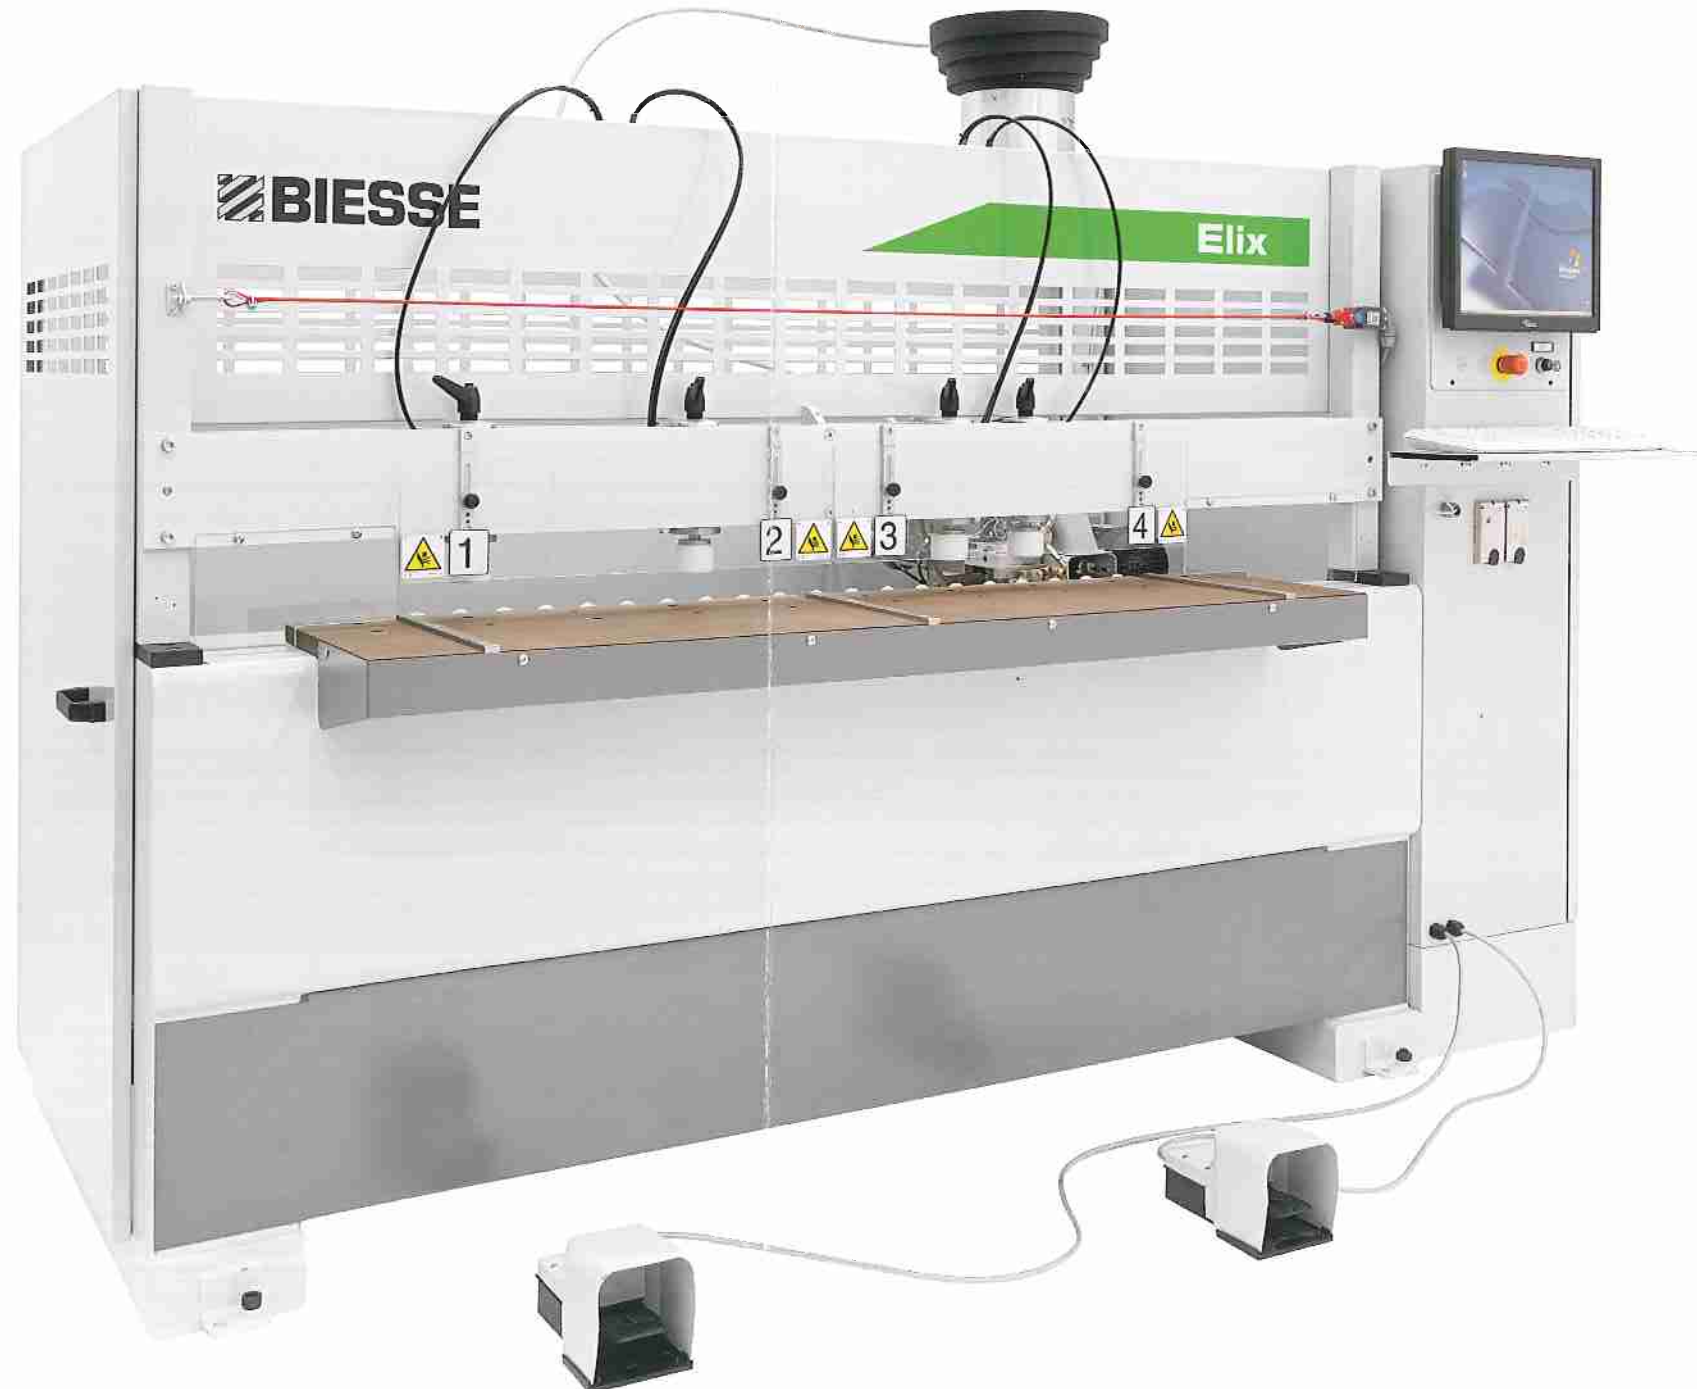

Elix, the point to point boring-inserting machine for glue and dowel insertion; it guarantees the maximum flexibility in the production of kitchens, furniture, drawers and elements of small dimensions.

Elix: CNC - gesteuerte Bohr- und Eintreibmaschine zur Gewährleistung einer hohen Flexibilität in verschiedenen Bereichen, wie z.B.: Küchenfertigung, Möbelfertigung allgemein, Schubkastenvorderstücke, Kleinteile allgemein und vieles mehr.

Elix : perceuse-tourillonneuse point à point garantissant une flexibilité extrême lors de la production de meubles de cuisine, meubles, tiroirs et éléments de petite taille.

Elix: Perforadora-insertadora de cola y espigas punto a punto para garantizar la máxima flexibilidad en la producción de cocinas y muebles, cajones y piezas de pequeñas dimensiones.

Elix: сверлильно-шкантозабивной обрабатывающий центр, служит для обеспечения максимальной производительности при производстве кухонь, элементов мебели, ящичков и элементов малых размеров
