

■ MBS121

Single Head & Boring Machine

Model	MBS121
No. of horizontal boring spindles	21*1
No. of vertical boring spindles	21*1
Max. panel thickness	60mm
Max. vertical boring depth	40mm
Max. horizontal boring depth	52mm
Max. vertical boring distance	640mm
Max. horizontal boring distance	640mm
Max. distance of two vertical boring head	/
Rotation speed of the spindle	2800 (50HZ)
Working pneumatic power	6-8kg/cm ²
Total motor power	1.5KW
Dimension of machine	1140*970*1220mm
Packing size	1300*1150*1400mm
