

RVPM-6-0628-H70

United States Patent
Patent No.: US 8,109,310 B2

EUROPEAN PATENT
Patent No.: EP 2 207 667 B1

TEHNIČKI DETALJI / TECHNICAL FEATURES

Svi modeli presa se rade u skladu sa zahtjevima (potrebama) kupca.

All models are manufactured according to customer requirements.

Dimenzije radnih stolova	po zahtjevu
Dimensions of working tables	on demand
Broj radnih stolova	1 - 2 - 4 - 6
Number of working tables	1 - 2 - 4 - 6
Radna temperatura	hladne i po zahtjevu
Working temperature	on demand, cold available
Membrana	prirodna guma NR ili silikon SR
Membrane	NR (natural rubber) or SR (silicon rubber)
Tip vakum pumpe	suve ili uljne
Type of vacuum pump	oil free, oil lubricated
Kapacitet vakum pumpe	prilagođen
Capacity of vacuum pump	adapted

Upravljanje vakumom - digitalno / Vacuum control unit - digital
Dimenzije po zahtjevu / Custom sizes available
380 V tri faze / 380 V three-phase

U svojoj ponudi nudimo i uslugu 2D i 3D oblaganja, savijanja i lameliranja, krivih i ravnih površina sa odabranim materijalima.

We offer the service of 2D and 3D coating, laminating and bending, curved and flat surfaces with the selected materials.
