

EVANS MODEL 0132

POST FORMER

SEMI-AUTOMATIC POST FORMING
MACHINE
PROVEN A PERFECT FIT AROUND
THE WORLD, IN ALL SIZE
OPERATIONS!

The 0132 ALL FORM is designed for the custom manufacturer doing doors, drawer Fronts, desk tops, custom furniture, bar tops, service counters or any type of work that requires postforming. You can wrap any type of postform laminate or vertical grade laminate in a 90 degree, 180 degree or full 360 degree over all types of radius. The Model 0132 All Form is a new, exclusive forming machine which is capable of wrapping 90, 180, or the bank edge without set-up. The unique heated platen maintains pressure against the radius continuously throughout the forming process. The 0132 allows you the freedom to use either contact adhesive or white glue (PVA). Evans Machinery also builds this model in a 8" version, Model 0138 as well as other post forming equipment.
