NUOVO Gruppo arrotondatore ROUND SK

Nuova tecnologia per dare:

- **PIÙ produttività** = arrotondatura anche a 18 m/min.
- **PIÙ versatilità** = possibilità di avere più gruppi sulle stesse composizioni.

Sulle composizioni: ER, ER-L, ER-S, ERT-L, ERT-S.

NEW corner rounding unit mod. ROUND SK

New technology to obtain:

- **MORE productivity** = corner rounding capacity also at 18 m/min.
- **MORE versatility** = it is possible to have more operating unit on the same compositions.

Installed on compositions: ER, ER-L, ER-S, ERT-L, ERT-S.
