

TECNOMAX

FS41 ELITE JOINTER - PLANER 410mm (16") VERSION

Identical to the FS35 ELITE, the FS41 ELITE has a huge potential considering its 410mm (16") cutterblock that offers a wider range of possibilities for the most demanding woodworkers. Reduced vibration, sturdiness, easy changeover, two different feed speeds are only some of the features offered in the TECNOMAX FS41 ELITE.

Technical features:

Jointer

Working width	410 mm	16"
Total table length	2000 mm	78 ³ / ₄ "
Tilting surface fence	90° - 45°	
Cutterblock diam.	87 mm	3 ¹ / ₂ "
Number of knives	3	
Cutterblock speed	5200 rpm	

Planer

Table dimensions	775x423 mm	30 ¹ / ₂ "
Thicknessing speed	6/12 m/min	20'-40' ft/min
Min/max. thicknessing working height	3/230 mm	1/8"- 9"
Min. thicknessing working length	160 mm	6 ¹ / ₄ "
Max stock removal to cutterblock	5 mm	1/4"

Other technical specifications

Motor power: Three-phase motor	4,8hp 3,6kw 60Hz	
Net weight basic machine	430 kg	946 lbs
Max. dimension	2000x1630 mm	78 ³ / ₄ "x64 ¹ / ₄ "
