

WIR GEBEN WERKSTOFFEN KONTUR

BORING AND ROUTING AT ITS BEST

**CNC-Bearbeitungszentren
Individuelle Lösungen
für Ihr Produkt**

*CNC-processing centers
Individual solutions
for your products*

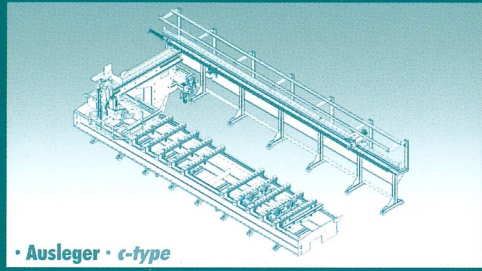

Face the Difference

CNC-Bearbeitungssysteme für:

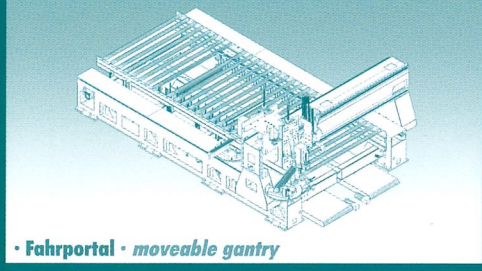

-  Holz
-  Kunststoff
-  Aluminium
-  Verbundwerkstoffe

CNC-processing systems for:

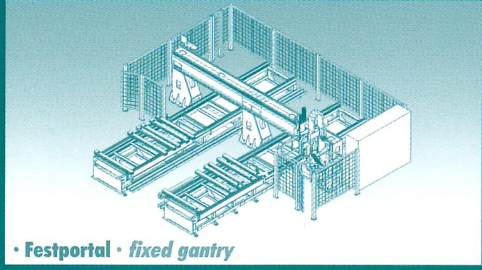

-  wood
-  plastics
-  aluminium
-  sandwich panels

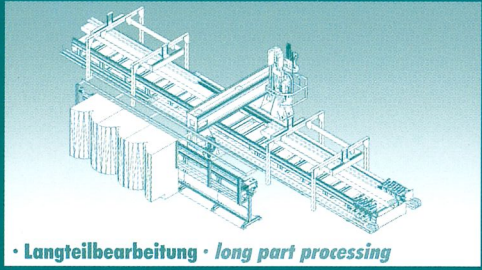

• Ausleger • c-type

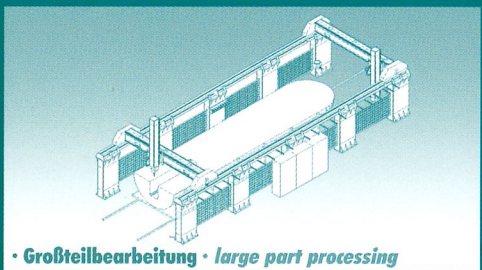

• Fahrportal • moveable gantry

• Festportal • fixed gantry

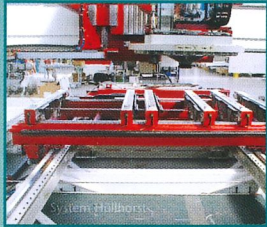

• Langteilmbearbeitung • long part processing

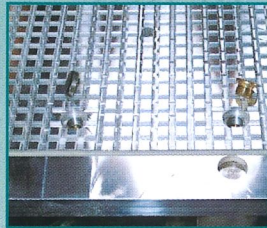

• Großteilmbearbeitung • large part processing

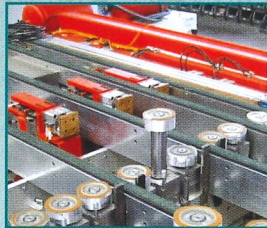

**Tischvarianten
table types**

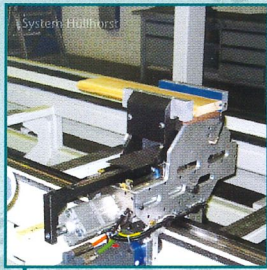

• Konsolentische
• console tables

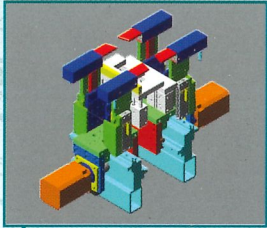

• Nutenrastertische
• groove bridge tables

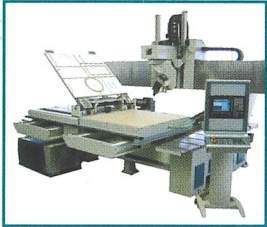

• selbstüstende Tische
• self rigging tables

• Langteilmbearbeitung mit selbständigen CNC-Verfahreinrichtungen
• long part processing with independant traverse units

• Fensterspanneinrichtungen
• window clamping systems

• Nestingtische
• nesting tables

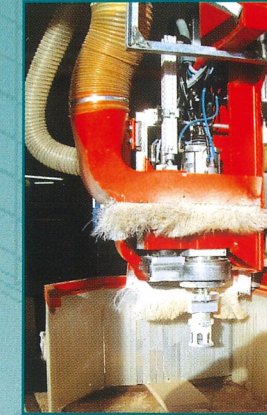

• 5-Achs-Aggregat
• 5-axis-aggregate

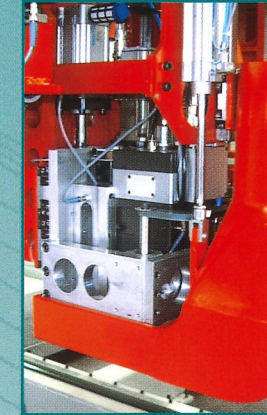

Bearbeitungsaggregate • milling aggregates

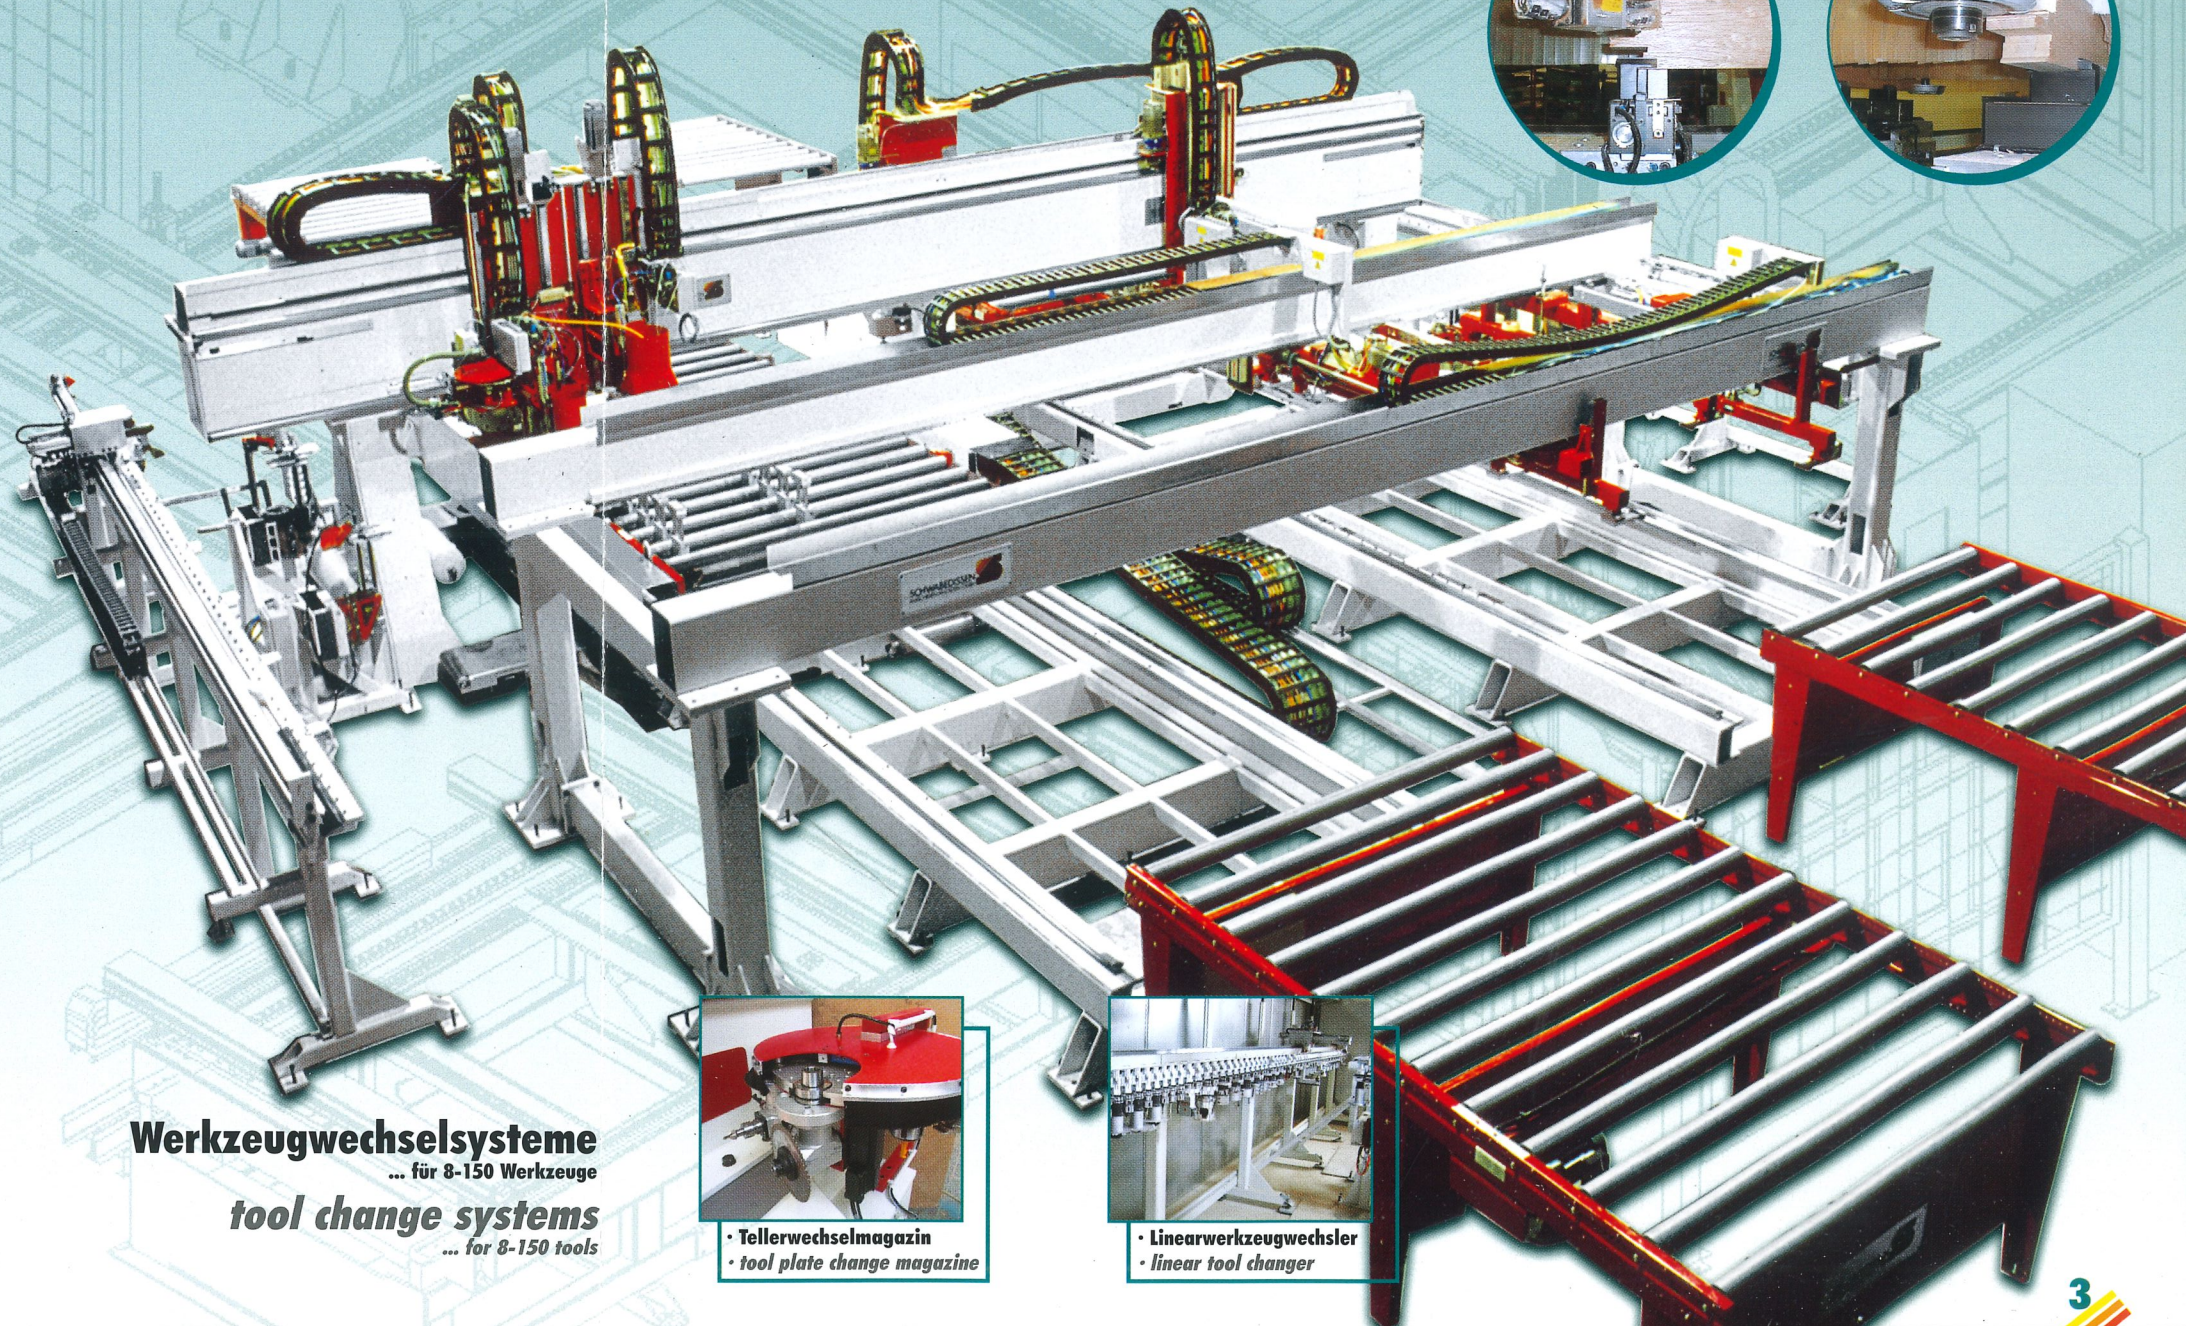

• Schwenkaggregat mit integrierter Vectorachse
• swivel aggregate with integrated vector axis

• Standardspindel mit Vectorregelung und Vectorachse
• standard main spindle with vector control and vector axis

• Hochfrequenz-Spindel mit 50.000/min
• high frequency main spindle with 50.000/min

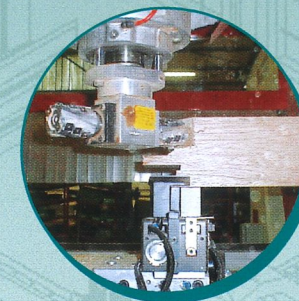

**Werkzeugwechselsysteme
... für 8-150 Werkzeuge
tool change systems
... for 8-150 tools**

• Tellerwechsellmagazin
• tool plate change magazine

• Linearwerkzeugwechsler
• linear tool changer

CNC-Bearbeitungszentren
Individuelle Lösungen für Ihr Produkt

CNC-processing centers
Individual solutions for your products

Face the Difference

Unser weiteres Fertigungsprogramm: *Our product range also includes:*

Die SCHWABEDISSEN Aufteilsysteme und Doppelendprofiler

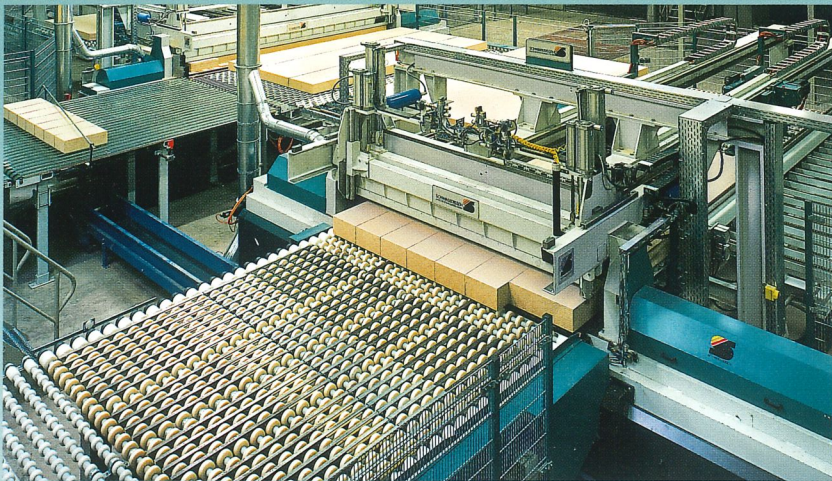

The SCHWABEDISSEN dividing systems and double end tenoner

**CNC-Bearbeitungs-
zentren
Individuelle Lösungen
für Ihr Produkt**

**CNC-processing

Individual solutions
for your products**

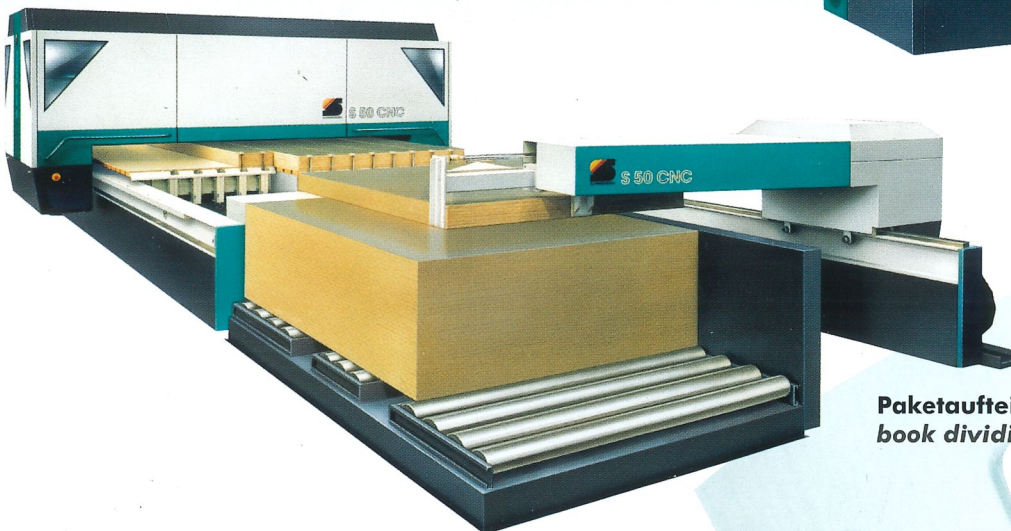

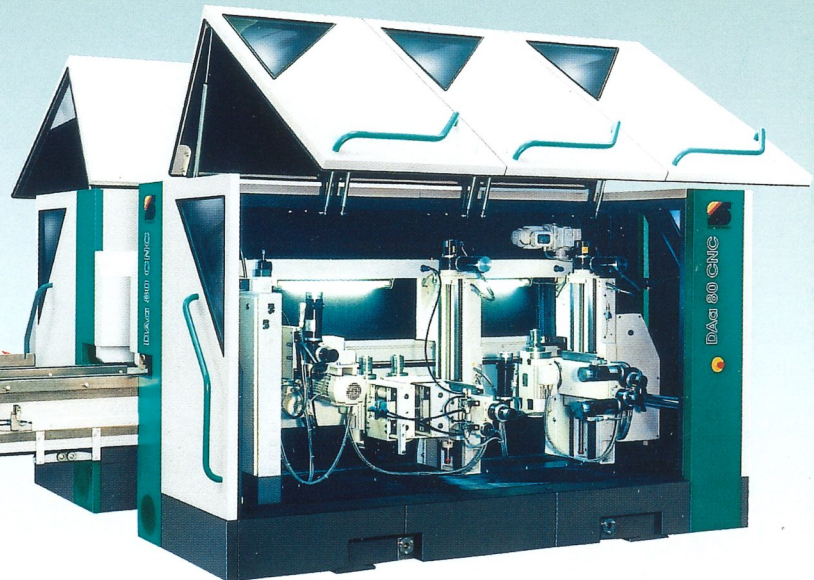

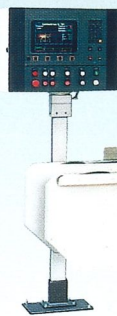

Face the Difference

Paketaufteilanlagen in Winkelanordnung
angular saw series for books of panels

Doppelendprofiler
double end tenoner

Paketaufteilsäge in Portalausführung
book dividing saws in a gantry design

Außerdem:

 **Aufteilsägesysteme für Einzelplatten**

Also:

 **panel dividing systems for individual boards**
